A Message From Fr. Jon-Paul Bevak

As many of you know, my father passed away suddenly on Sunday, February 25. While he has not been well since his two strokes in 2018, he has more or less been stable, and his death wasn't expected. This has undoubtedly been a long and difficult road for my father and family. I thank all those who have been patient and supportive of me over all these years. As many of you know, working through family stress, along with the general stresses we already face in life, can be nearly impossible without the support and understanding of those around you. I thank all those who have prayed for me and stuck by me all these years.

I thank all those who have prayed for my father and also my family since February 25. I thank those who have had Masses offered for the repose of my dad's soul. I am also thankful to the priests who helped cover various Masses in my absence. I thank those who made the long journey to Youngstown to be there for the funeral, those who were spiritually present with my family and me, and those who sent notes and cards. I especially thank all those who helped cover things in the parish during my absence, including Fr. Adrian, the Brothers, the Sisters, and lay staff. Everyone together helped ensure things remained smooth. Everyone's love, care, and support were very consoling during a difficult time. I ask for your continued prayers for my father and also my mother as she adjusts to this difficult chapter in her own life.

Please be patient with me as I begin to get caught up on messages, emails, and other correspondence. If something is pressing and you haven't heard from me, please contact the parish office directly.
